2009 CO TOUR Fashion Showcase

For Immediate Release:

**JWORK LIMITED, 5 Star Lifestyle Clothing presents
its 2nd Annual CO TOUR Fashion Showcase**

Friday, September 11th at the Villa Milano

This is the do not miss fashion event of the year! Last year saw nearly 600 attendees, and this year's event is sure to be sold out!

Featuring the best in fashion fun, elegance, and creativity from an awesome lineup of Columbus' premier, up and coming designer talent, this is fashion as you have never seen it before!

The CO TOUR Fashion Showcase was founded in 2008 by the owners of already blossoming clothing company, JWORK LIMITED, in an attempt to create an event that would be beneficial for all designers and participants involved as well as for the city of Columbus. The event was quickly embraced and hailed as the most prominent fashion event produced, and becoming the tipping point for up and coming talented designers and models in Columbus.

This year the CO TOUR is pairing with the Big Brothers, Big Sisters organization in an attempt to create an opportunity for an under privileged youth to venture into the field of fashion design through a college scholarship. Partial proceeds for this event will go toward providing this opportunity.

Unfolding on the floors of the illustrious and historic Villa Milano Banquet & Conference Center, don't miss the 2nd Annual CO TOUR Fashion Showcase: *In the Garden of the Gods!* Walk with us on a journey through the battle between Gods and Men in this unique and unforgettable experience

Doors open at 7:30 p.m. Showtime at 8 p.m. sharp.

Tickets are \$25 in advance. Tickets available online at www.cotourfashionshowcase.com
